

Holiday Club Reminders

Dear Parents,

- Please look at the holiday programme with your child and prepare for the activities as necessary.
- An activities sheet will be next to the sign in sheet on days we spend at the club. If your child wishes to take part, please put his/her name down.
- Please be in for 8.45am on trip days – sorry, we cannot wait for latecomers.
- To avoid your child's day being ruined because they are wet or cold please ensure they have a waterproof jacket, sensible shoes and are appropriately dressed.
- On hot days make sure they are adequately covered.
- Trip days involving water please pack some spare clothes and a towel. Children will not be allowed in the water without these.
- Please ensure your child has a ready-made (nut-free) packed lunch. Regret we are unable to heat or cook individual lunches.
- Please remember to add water and or juice to the packed lunch. We provide this at snack times but on outings on hot days children may need more fluids.
- No medication can be administered without a signed authorisation form. Please leave plenty of time to complete this if required.
- Remember also we cannot give the first dose of any medicine in case of allergic reaction.
- Please read Holiday Information for Parents!
